FROM FATHER MURPHY

Dear Faithful,

Some have asked me recently about **Mass Intentions**, asking me to celebrate a Mass for a particular intention. Normally, I have Mass intentions for each day, but I do try to accommodate urgent requests when they arise. If you would like Mass said for a particular intention, please do the following:

- ❑ Write on an envelope your name, the particular intention you wish to be mentioned at Mass, and the date you would like the Mass celebrated.
 - ❑ Include a donation in the envelope. It is customary to include \$20 for a Mass, or \$50 for a Mass for the dead.

- ☐ Give the Intention directly to me, or put it in the collection basket during the collection at Sunday Mass.

Some things to bear in mind:

- ☐ When giving a Mass intention to a priest, you are not “paying for Mass” since Mass is a Sacrament and can be neither bought nor sold. Instead, you are including a donation to the priest for his support. As such, the suggested donation is a guideline. Naturally, those who can afford less should not feel that they must give the same as someone who is better off.
- ☐ It is a good and holy thing to have Mass offered from time to time for particular intentions such as the vocation of your children, the conversion of a friend, the healing of an illness and so forth. The Mass is the most powerful prayer on earth.
- ☐ In November, the month dedicated to the Holy Souls, we pay particular attention to offering Mass for the Holy Souls in Purgatory, especially our relatives and the most forgotten souls.
- ☐ While a priest can pray for many things at a single Mass, he can only receive the money from one intention per day maximum. This is Canon Law.

In Christo, Fr Murphy
